DOB 29/1/07 • IAR 116749

Already an icon in the industry Waiheke Snow Shell needs little introduction.

She is a Multiple Supreme winner in the few times shown including winning back to back Waikato Shows with nearly 400 combined entries and the National Champion.

Snow Shell's Fleece has been tested at a phenomenal 78.2 follicles per sq mm putting her in an elite group Worldwide.

Snow Shell's Dam Goldilocks is one of our highly successful ET Donor Dams and Snow shell herself is offered with an option to be utilised in this program with Waiheke Alpaca.

Should Snow Shell be purchased for export, she has been screened and can be quarantined free of charge at our facility on Waiheke Island.
